

TRUCK DRIVER/MATERIAL HANDLER – FOND DU LAC, WI

Chicago Tube and Iron Company is a leader in the metals distribution and fabrication industry. We are an established company with an impressive record of profitability and growth. At Chicago Tube and Iron, we like to think of ourselves as a company that is big enough to offer financial strength and stability, but yet small enough to quickly change direction when our customers' needs require it. Our sales force and operations personnel share their expertise to come up with the best possible solutions for our customers. Want to know more? Visit us at www.chicagotube.com.

We offer a competitive salary commensurate with experience, and a comprehensive benefits package that includes medical, dental, and vision benefits, as well as supplemental life and disability benefits. We also offer a 401(k) Plan and a generous tuition reimbursement program.

We have a combination **Truck Driver/Material Handler** position available on **1st shift** in our **Fond du Lac, WI** warehouse operation.

JOB DUTIES:

Truck Driver:

- Deliver and pick up material as instructed
- Contact shipping officer as required when making deliveries and pickups
- Complete log and trip sheets as required
- Must comply with all state, federal, and D.O.T. regulations

Material Handler:

- Operate forklift, Raymond side loader, and overhead crane to move material in warehouse
- Load and unload trucks using handling equipment, places materials in storage locations
- May operate saw, or other equipment to process, package, and load
- May receive/inspect and verify material count

JOB REQUIREMENTS:

This position requires a current Class A CDL license; it also requires a high school education or equivalent. Basic math skills are a must. Experience with overhead cranes, forklifts, side loaders, banding, and/or order packing is desired, but will train if necessary. Experience in the steel distribution industry is highly preferred, but not required. Company policy requires that the selected candidate complete a successful criminal background check (including Motor Vehicle Report), D.O.T. physical, and drug screen.
